

TRINITY CATHOLIC COLLEGE LISMORE MSA FLOOD APPEAL

The devastating flood waters that inundated Lismore in recent days have completely covered Trinity Catholic College, causing damage to every classroom, staff area and facility. Whilst the town and College are used to floods and are well prepared for such events, the magnitude of this flood is beyond anything previously experienced. The destruction at the College is significant and the hardship on many hundreds of College families is acute, reflecting the situation for communities throughout the northern rivers region of NSW and southeast Queensland.

As fellow Marists, as we watch and listen to the news reports, we are compelled to ask, “How can we help?” One practical way is to provide financial support to the College community in order to help rebuild their school and more importantly the lives of the people who are Trinity Catholic College.

Donations for this urgent crisis can be sent to:

Account Name: Marist Schools Australia Limited
BSB: 062-000
Account No: 2022 9618
